Summary

Detail-oriented full-stack software developer and former healthcare professional with a driven and organized nature. I love to think outside of the box while collaborating on projects and learning new skills.

Skills

- HTML, CSS, Bootstrap, JavaScript, jQuery React, Python, Node.js, Express, PostgreSQL, Sequelize, GitHub, remote software development and Agile software development

Education

DigitalCrafts | Full-Stack Software Development | Atlanta, GA March 2020 – July 2020

- 16-week immersive full-stack software development program

Kennesaw State University | Bachelor of Science in Biology | Kennesaw, GA August 2014 – July 2018

Projects

Scene It | [Github](#) | [Website](#) May 2020

- Front-end application that allows users to search for different movies using OMDb API. It allows users to save movies to their watchlist. Scene It was built with HTML/CSS, JavaScript, jQuery, and Axios

HERBS. | [Github](#) | [Website](#)

- HERBS. is a front-end project created alongside two teammates in an agile remote setting. The app allows users to research and learn about the different strains of marijuana. Users also can find locations close to them that sell those strains. HERBS. was built using HTML/CSS and JavaScript

ZDG Chat | [Github](#) | [Website](#) June 2020

- ZDG Chat is a chat app created alongside two teammates in an agile remote setting. The app allows users to chat with friends and post in forums. The app was built using Socket.io, Node.js, Express, and PostgreSQL.

Work Experience

Marietta Eye Clinic | Ophthalmic Assistant | Marietta, GA July 2019 – March 2020

- Obtained optical pressures, checked visual acuities and administered slit lamp exams
- Documented complete information about examinations, treatment plans, lab results and other details directly into charts.

Guest Relations Trainer | Delaware North | Atlanta, GA May 2019 – July 2019

- Collected analytical data surrounding guests' experience in concession lines
- Assisted the Human Resources team in orientation and training for new employees
- Met with employees to ensure they complied with company policies and GuestPath standards

Physical Therapy Aide | Benchmark Physical Therapy | Smyrna, GA July 2018 – April 2019

- Instructed and assisted patients with exercises under supervision of a physical therapist
- Observed patients during treatment to compile and evaluate data on patients' progress, and report to physical therapy
- Assisted with answering telephone, scheduling appointments, scanning, data entry, and filing
